3. Ideas for support

Class money for ES teachers: Kathrin will distribute it; Buck will transfer the money to her. This will be a big help for the ES teachers! This is the class money for Mai and June. The class money for March and April was distributed before the school closure. To help the ES teachers, the board decides to distribute three months worth of class money for Mai and June to cover for extra expenses due to Corona. We will include a slip of paper saying that they can always apply if they need more money.

unanimously yes (10 votes)

Help for the HS teachers: Vanessa will write to David Krupski to check, if the Verein can support the HS teachers for any special expenses. The teachers should then contact us via e-mail. Vanessa will collect these and coordinate with Kathrin.

Also in the Hort there are JFKS teachers who help with the Notbetreuung. Vanessa will check how we can help there.

4. Shop

Buck and Melissa created an online shop. There is a link on the webpage and infos will be posted on facebook.

5. Gifts for teachers - coordinated with PCB

This year a lot of teachers will leave. Buck will ask how many people. We will probably have a lot of stock in the school shop, because many occasions for sales were cancelled. We will have to coordinate with Melissa

unanimously yes (10 votes)

Buck will tell PCB, that we are on board and we are happy to help.

6. New traditions:

We should collect the ideas that came up during the school closure and see which of these we can make into new traditions, f.ex. the yard signs for the graduates

7. Graduation:

The graduating committee will probably ask the Verein for help; just a heads up from Lynn. Graduation this year will most probably take place on campus.
