A message from the Verein Treasurer:

“We are very excited to introduce Tuurio to you as we bridge our way into digitization. Tuurio is both web and app-base, compliant with the German privacy policy, secure and more importantly, locally based here in Berlin. We are confident that Tuurio will not only help the current and future Board of Directors in their administrative work, but enable communication easily and effectively with our Verein members, volunteers as well as various group events within the JFKS community. Just register with the link provided ... and off you go chatting with each other in a secure environment and be motivated to join any of our group events. We hope you'll be pleasantly surprised by Tuurio, as we are, and learn what The Verein has to offer in the coming year!”

VEREIN membership fees are €75/year.

3. **FEE EXEMPTION:** Students of families receiving social assistance are eligible for a free locker. Families experiencing momentary financial strain are also able to have membership fees waived on a yearly basis. Please contact us at lockers@theverein.com.
5. **RANDOM ASSIGNMENT:** Please be aware that the lockers are assigned randomly, but we try to keep grade levels together. If your child has health issues requiring a specific locker, please provide a note from their orthopedic doctor.
6. **RECEIVING LOCKER ASSIGNMENTS:** 7th grade students will receive their locker assignments at Orientation Day.
If your student is unable to attend Orientation Day, the Locker Committee will be at the high school the first few days of school for locker assignments and to answer any questions.
7. **DEPOSIT:** Please ensure your student brings the €10 deposit (exact change please) to Orientation Day.

Join the Locker Team and help us get the HS off to a smooth start.
